

Several of the imported cows selling.

W. E. GIDDENS

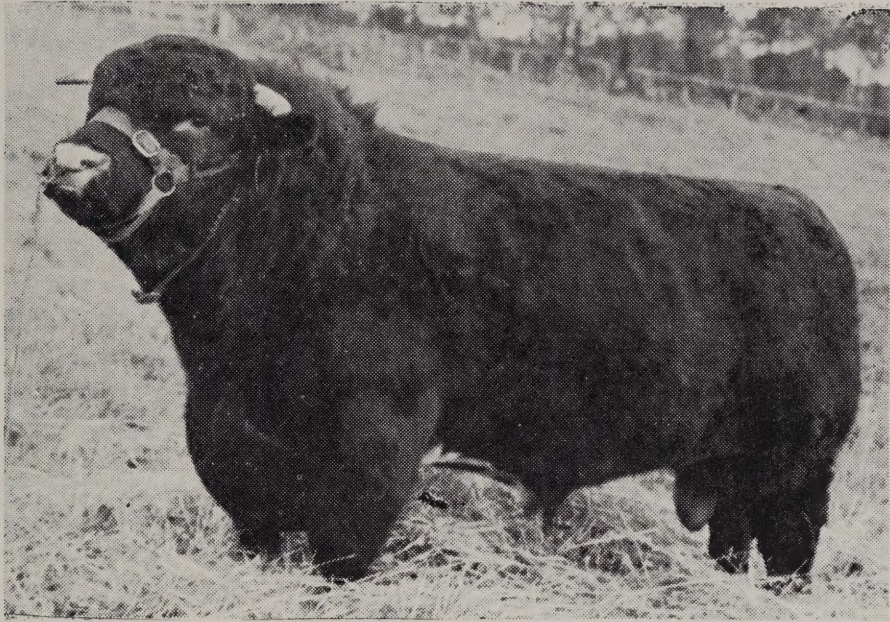

Dispersion

at the Jerry Taylor Farm

Prairie City, Illinois

SATURDAY, MAY 30, 1964 . .

This Great Herd of Imported Cows Will Be Dispersed

Banchory Orangeman. Famous Calrossie sire. Twelve Calrossie cows will be sold in this sale, a number of them his daughters.

COMPLETE DISPERSION

W. E. GIDDENS HERD

to be held

SATURDAY, MAY 30, 1964

AT THE JERRY TAYLOR FARM

PRAIRIE CITY, ILLINOIS

57 Female Lots

Plus many calves at foot. More imported females and their daughters will be sold than in any other Shorthorn sale in years. The cattle will match their great pedigrees!

DON LONGLEY, Sale Manager

16 South Locust St., Aurora, Illinois

GENERAL SALE INFORMATION

TIME — SATURDAY, May 30, 1964. The sale will start at 12 Noon Central Daylight Time. Lunch will be available on the grounds.

LOCATION — The farm is 5 miles northwest of Bushnell, Illinois, on the Prairie City-Walnut Grove blacktop. A map appears elsewhere in the catalog showing directions.

SALE HEADQUARTERS — The Custer Hotel, Galesburg, Illinois. There are also good motels in the area and reservations will be made for you if you will write directly to Jerry Taylor, Prairie City, Ill.

JERRY TAYLOR PHONE — Bushnell 772-3934 Area 309.

PHONE AT SALE SITE — Bushnell 772-2393 Area 309 (for use sale day and day before)

AUCTIONEER — Don Smock, Whiteland, Indiana.

SALE MANAGER — Don Longley, 16 So. Locust St., Aurora, Ill.

TERMS — The terms of this sale are cash at the time of purchase. Settlements to be made with the clerk immediately following the sale. All stock will be at buyer's risk as soon as bid off, but we will assist in loading and helping owners obtain transportation. Arrangements can be made to leave cattle for a reasonable period of time so that buyers can complete transportation plans from their homes, if they wish, or hook up with purchases made in the Northwood sale.

HEALTH — The Giddens herd is Accredited for TB and Certified for Brucellosis. Interstate health charts will be furnished out of state buyers. All females are calfhood vaccinated except those calves which have not yet reached the proper age.

A certificate of registration and a signed transfer will be supplied for each animal sold, properly transferred to the new buyer. Calfhood applications will be supplied for calves in dam.

Footnotes were written by the owner or from information furnished by the owner. The terms shall constitute a contract between the buyer and seller of each lot.

While every effort will be made to protect the safety and comfort of those attending, every person attending this cattle sale does so at his own risk. The owners of the cattle; the owner of the premises, Carl Bonnett; the sale manager; auctioneers; clerks; Jerry Taylor assume no liability for accidents that may occur. The sale manager was retained by W. E. Giddens for specific tasks, promotional and clerical, and has nothing to do with the handling of the cattle, the condition of the premises, possible errors in health charts, or fulfillment of the guarantee.

GUARANTEE — All cattle will be sold under the Standard Guarantee recommended by the American Shorthorn Ass'n.

MAIL BIDS may be sent to the following representatives —

C. D. SWAFFAR, American Shorthorn Assn, Union Stockyards, Omaha 7, Neb.

DON LONGLEY, The Shorthorn World, 16 So. Locust St., Aurora Ill.

GENE McDONALD, The Shorthorn World, 16 So. Locust St., Aurora, Ill.

H. W. WALKER, 3906 East 71st St., Indianapolis 20, Ind.

R. G. HEINE, R2, Drayton, N.D.

Any of these men can be reached at the addresses above or within 24 hours of the sale through the phone numbers listed above.

Mail bids may also be sent to the owner or auctioneers.

We will be happy to work with the owners and management of the following sales to combine purchases for shipment: Monday, June 1, The Northwood Sale, Cary, Ill.; Tuesday, June 2, Westward Way Polled Shorthorn Sale, McHenry, Ill.

Kair Nonpareil Barbara, Lot 23; Banchory Rosebud 4th, Lot 25; and Avenel Princess Royal, Lot 52.

Ellis Giddens is a man with deep feelings about Shorthorn cattle. He built a fine herd and sold that entire herd which now forms an important part of the well known Boll Weevil herd. Not content without good Shorthorns on his farm, about four or five years ago he started again. Having knowledge of the top sources in Scotland he began to buy imported females, by visiting Scotland himself, and also through such friends as Roy Watherston of Crichton and Donald MacGillivray of Calrossie.

One thing was clear. Neither distance nor amount of money was to be a bar to his purchase of exactly what he wanted. As will be noted in this catalog, he paid close attention to families, selecting females from cows already proven to be producers of great stock bulls. He leaned heavily towards Calrossie because of their dominant record over the years. Today the Giddens herd not only contains 12 Calrossie cows, but also the daughters of these cows.

Good fortune played a role. At Perth, 1959, he selected for his stock bull to head this new herd, the winner in one of the youngest classes, Bapton Upward Bound. This bull proved a great sire of both bulls and females. The calves he sired out of these great cows are as good or better than the cows themselves. None of the females imported were low-priced. Some of them cost 1,000 guineas

or better. Costs of transportation, quarantine, feed, etc., came very high. He also purchased several excellent families in the United States and Canada. These measure well with the imported cattle.

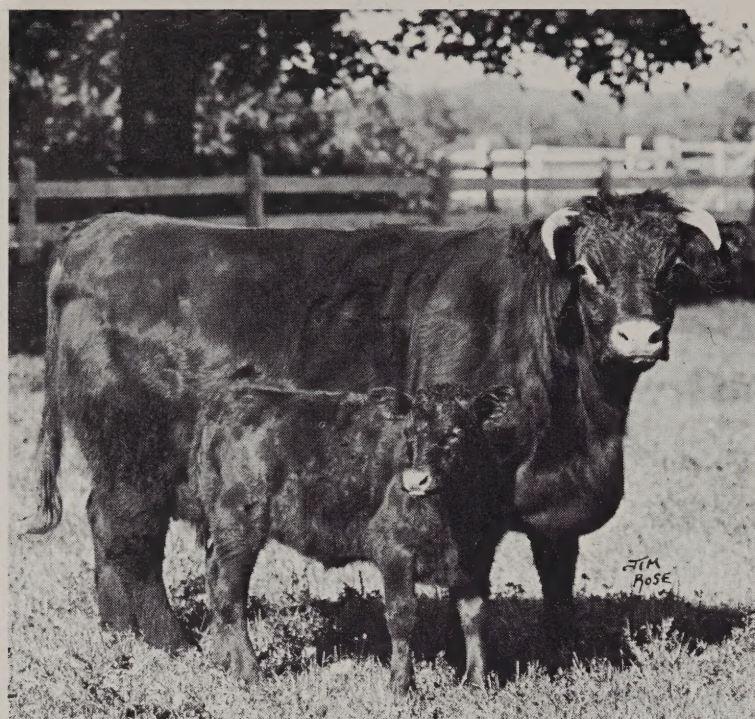

You may have a few questions. First, where are the bulls? They have had an excellent bull trade at the farm, plus the fact that he sold 11 bulls late last fall in the Malcolm Tucker sale for a \$1,022 average. Having just several young bulls on hand . . . and coming into another trade area . . . Ellis Giddens felt it would sit better with the breeders of Illinois if he made this a completely female deal.

Secondly, this is a complete dispersion. With his sons away at school, Ellis cannot get the help he feels he needs to carry on. He has had to do the work himself for months, and his other business commitments will not permit this any longer.

Finally, to answer the question that is in your mind, "Are these cattle really as good as their pedigrees would indicate?" My answer without hesitation is "yes." He was able to get these great Calrossie cows only because the A.S.A. embargo was about to go on.

Calrossie Augusta Jangle and calf, Lot 4.

Need Help on Friday?

Most people will have sufficient time to catch the airport limousine to get the train out of Chicago. If you are tight for time and a ride from O'Hare to Aurora will help you, contact Gene McDonald at The Shorthorn World, Aurora, Ill. 896-8511 (A.C. 312) or at his home 892-6430.

Those arriving Saturday morning would have to get in early enough to catch the 7:30 a.m. Ozark flight. It is about a four-hour drive from the Chicago area to the sale.

Pregnancy Examination

Dr. Fosgate, University of Georgia, one of the top men in the field, has already examined many of the females and pronounced them safe in calf. He will make further examinations between now and sale day. Full information will be given at the sale. Remember . . . even though this is a complete dispersion these cattle sell under the Standard Guarantee recommended by the American Shorthorn Assn.

The W. E. Giddens herd is

GETTING TO THE SALE . . .

This sale is in western Illinois about 50 miles east of the Mississippi river. Best point for air and rail communication is Galesburg, which has good service on the Burlington railway and air service on Ozark airlines. Cars will be available to take you to and from Galesburg.

This material was prepared before schedule change was made on April 26, so check with your travel agent for times effective at sale date:

TRAINS: The Burlington runs about five trains a day between Chicago and Galesburg, but because of time change and because the Burlington is in the process of trying to get one or two of these removed we ask you to check for exact times as the date of sale approaches. Most of these trains stop at Aurora about 40 minutes after leaving Chicago. It is about a two and one-half hour train ride from Chicago to Galesburg. Most of these are intercontinental Zephyrs.

Returning from Galesburg the train currently scheduled out at 6:05 p.m. should be ideal for those traveling back to the Chicago area for the Northwood sale.

Please Note—The first train out of Chicago in the morning is not until 11 a.m. so it will be of no value to anyone attempting to get from Chicago to Galesburg on sale day morning.

PLANES: Ozark has a daily flight leaving O'Hare at 7:30 a.m. arriving Galesburg 8:39 p.m. Also an afternoon flight (except Saturday) leaving Chicago's O'Hare airport at 3:15 p.m. arriving Galesburg 3:15 p.m. Returning after the sale a flight leaves Galesburg 7:24 p.m. Saturday, arriving O'Hare 8:28 p.m.

Coming from the West . . . Galesburg is on the main branch, Omaha and Kansas City branch of the C.B.&Q., and Macomb is on the Kansas City branch.

BANCHORY ORANGEMAN

Red, February 27, 1956. Bred by Hugh Black, Banchory, Coupar Angus, Perthshire, Scotland.

SIRE: Gallant Marshal by Erimus Gallant and out of Jealous Edna by Cruggleton Perfect.

DAM: Banchory Orange Pet by Millhills Zeus.

GRANDDAM: Orange Pet by Cruggleton Perfect.

Here is what Donald MacGillivray said of Banchory Orangeman in his notes in the 1962 Perth catalog:

"Banchory Orangeman was purchased on account of his great bone and ruggedness and the very desirable double cross of Cruggleton Perfect, his two granddams both being by that famous sire. The Calrossie females suit him well and he is transmitting his great bone and scale. With his first crop of calves in 1959 he headed the list of successful sires with three sons averaging 2,243 gns., with a top of 5,200 gns. on Calrossie Diadem sold to Glamis. In 1960 his three sons averaged 1,378 gns. with a top of 2,400 gns. on Calrossie Diamond sold to Les Mathers and John Alexander. In 1961 his five sons averaged 5,233 gns. with a top of 13,500 gns. for Calrossie Heirloom, sold to Sr. Santamarina of the Argentine, and 6,000 gns. for the senior champion Calrossie Freebooter to Lt. Col. Hardie. Two excellent sons, Calrossie Scotch Mist and Calrossie Tradewind, were retained out of this crop for use at Calrossie."

and to bring the record further up to date briefly:

Grandsons of Banchory Orangeman have been either the Supreme Champion and/or the top-seller at Perth for the last several years. His son Calrossie Diadem (now owned by Bilmar Farms, Michigan) in 1961 sired the Supreme Champion at 4,800 gns. going to the Argentine; in 1962 sired the Perth champion, Glamis Benefactor at 5,800 gns. (now owned by KC Farms, Missouri); in 1963 the top-priced bull, Glamis Supreme Commander, at 6,800 gns. sold to Sr. Duggan of the Argentine; and in 1964 the top-selling bull at 8,500 gns. going to the Argentine.

THERE ARE 12 CALROSSIE COWS IN THIS SALE . . . many by Banchory Orangeman, plus their imported-in-dam and Bapton Upward Bound daughters.

Bapton Upward Bound. Photograph taken at Perth, 1959, where he was first in class and a member of the first prize three bull and five bull groups.

Bapton Actress 14th
Red, J. V. Rank

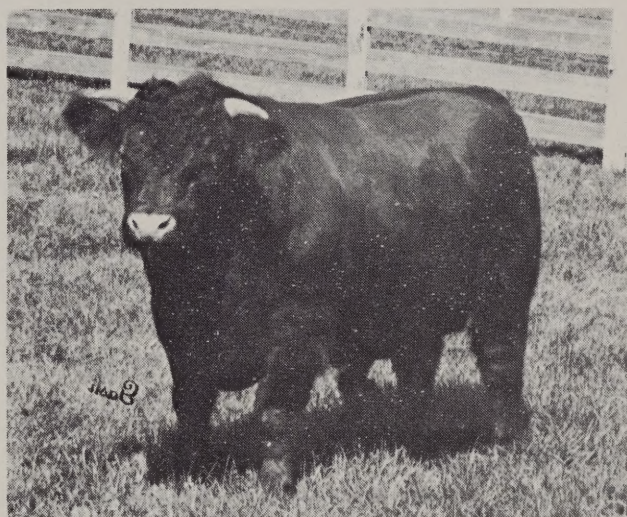

Seven daughters of Bapton Upward Bound. All sell.

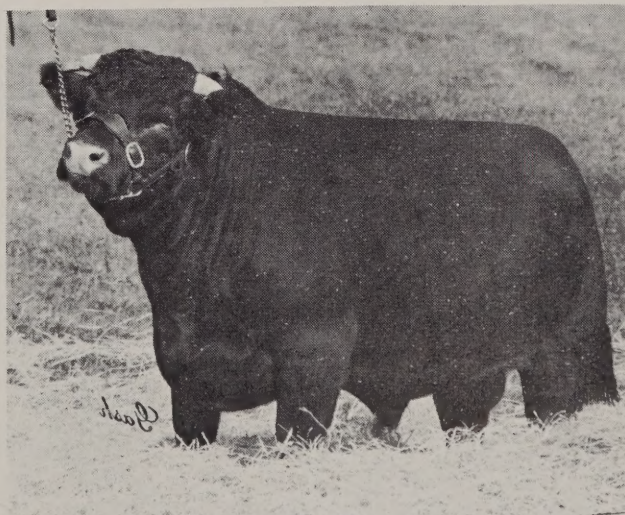

Bapton Upward Bound was first in class at Perth, 1959 and a member of the winning Bapton groups. His dam, one of Kirkton Hercules best daughters, is a full sister to the 3,800 gns. Bapton Control and is out of the famous Actress family. Bapton Northward Bound was the Royal Highland champion, was sire of Best Group of Three Bulls, Perth, 1960. Fair Clipper 45th was the unbeaten female in Scotland, 1956.

Bapton Upward Bound sired the 1963 Illinois State Fair junior champion bull, sold for \$3,500; he sired the 1963 Southeastern Regional champion sold for \$1,200; another calf that was an All-American nominee and another young bull that was the Southeastern Regional champion. Eight sons, senior and junior calves, by Bapton Upward Bound in the Tucker sale last fall averaged \$1,304. Bapton Upward Bound was sold to Malcolm Tucker last year because we had kept so many of his daughters in the herd.

Those who have visited the farm have been high in their praise of the uniform high quality, ruggedness, and doing-ability of his calves. He is one of those rare sires that produces both good bulls and females. We consider ourselves fortunate to have picked a breeding bull that could measure up to the strong cows in this herd.

Upward Bound 4th, Junior Champion, 1963 Illinois State Fair. We sold this senior calf by Bapton Upward Bound in the 1963 Tucker sale for \$3,500 to Dan and W. G. McCubbin, Elkhorn, Neb.

Upward Bound 3rd. We sold this calf by Bapton Upward Bound in the 1963 Tucker sale for \$1,700 to Milton Nagely, Abeline, Kan.

Junior get-of-sire by Crichton Burco undefeated at six shows and exhibited by Sherrill Parks.

REFERENCE SIRE

CRICHTON BURCO

White, calved April 6, 1958. Bred by R. H. Watherston, Crichton, Mains, Ford, Midlothian, Scotland. Owned by Sherrill Parks, Obion, Tenn. and W. E. Giddens, Madison, Georgia.

Helen Broadhooks by Crichton Emperor		347186 R. H. Watherston
5 d 267007 Crichton		
Diana Broadhooks by Leopold		313495 J. Durno

In 1963 the sons and daughter of Crichton Burco exhibited by Sherrill Parks made an impressive showing with the junior get undefeated at six major shows. They stood up well at the International, Kentucky Futurity, Kentucky State Fair, Tennessee National, Best of Midwest, Tennessee State Fair, etc.

CRICHTON BURCO

We think a lot of Tolquhon Bosco blood. We have several Bosco daughters in the herd and they are great brood cows. We bought an interest in Crichton Burco and a great many of the young calves at foot are by him and females bred to him. They are an outstanding group. They are among the best calves we have ever had . . . thick, rugged, great heads. Crichton Burco will not be sold as he has gone back to the Parks herd.

KAIR LUCKY STAR

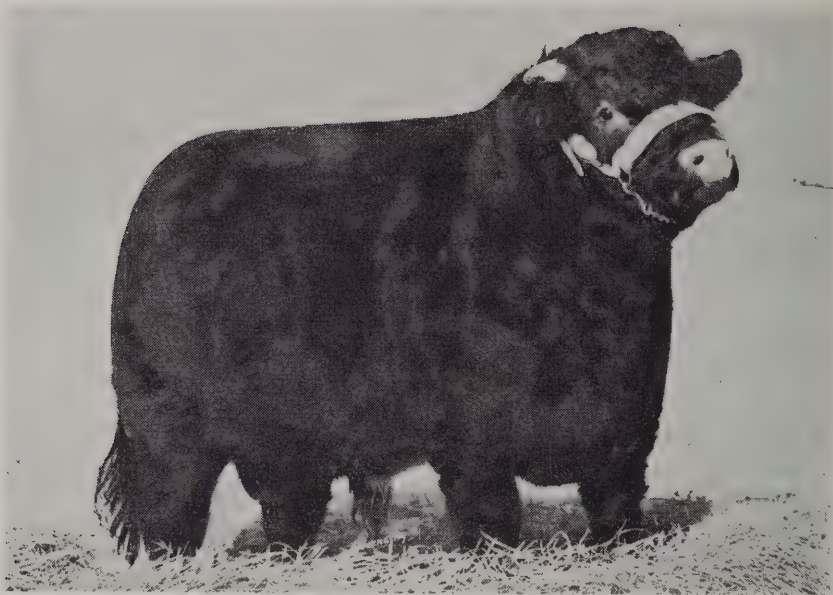

REFERENCE SIRE

KAIR LUCKY STAR

Purchased at 2300 gns. Perth, 1960 by Calrossie. A bull with wonderful character, quality of hair and fleshing. He is a son of the great Calrossie Crocus Count and carries a double cross of both Calrossie Harmony and Cruggleton Perfect through both his sire and dam's side. A number of our Calrossie females were bred to this bull and we have some excellent imported-in-dam calves in this sale by him.

This impressive, rugged Calrossie bull has left us a grand set of calves, several of which are old enough to sell as separate lots. He is an own son of the great Banchory Orangeman, sire of Calrossie Diadem, Glamis Benefactor, Calrossie Diamond, and grandsire of the champions and tops at Perth in the last four years. This bull comes from the great Calrossie Floss family which produced such great stock bulls as Calrossie Constellation, the 13,000 gns. Calrossie Heirloom, the 5,200 gns. Calrossie Triumphant, etc. His dam is by the 8,500 gns. Calrossie Christmas Carol, a uterine brother to Calrossie Hyperbole. His granddam is by the 10,100 gns. Calrossie Claymore. Sherrill Parks, already an owner of half-interest in Calrossie Ideal, purchased the other half when we told him of this dispersion.

CALROSSIE AUGUSTA JANGLE, Lot 1, and heifer calf by Kair Lucky Star.

CALROSSIE MERCURY, the great sire at Edellyn Farms, was from the same family as Lot 1.

CALROSSIE QUEEN SYLVIA (chain #1) — We had the misfortune to lose a heifer calf of this cow while she was in quarantine. Her granddam is a full sister to Erimus Hansard, the sire of Uppermill Leopold, the bull that has bred so well in the West-drums herd in Scotland. Charles and Lyle Ewald, Waldorf, Minn., could well be proud of this heifer as they own her sire. She is one of the best heifers that we have ever imported. She will sell open as we have been asked by some of the prominent breeders to do so.

All Sell . . . these three young cows and their calves are shown in quarantine last winter in Canada before shipment to W. E. Giddens. L to R: Calrossie Roth's Bebe, uterine sister to Calrossie Keynote, dam, the famous Calrossie Roth's Flower, her heifer calf is by Calrossie Scotch Mist; Calrossie Princess Catriona and heifer calf by Kair Lucky Star; and Calrossie Queen Sylvia.

CALROSSIE PRINCESS CATRIONA, Lot 13, and her calf, Lot 13A. Picture was taken in quarantine last winter and both are in thin condition.

CALROSSIE PRINCESS CATRIONA (chain #5) — This heifer's dam is a uterine sister to Calrossie Scotch Mist. She is an unusually heavy milker and has a good heifer calf at foot, named Calrossie Princess Cathy, born Jan. 16, by Kair Lucky Star. The breeding on this heifer is absolutely tops. She will sell open as she has just arrived from quarantine.

Turn the page for this cow's calf —

THE DISPERSION OF THIS HERD OF IMPORTED COWS

provides Shorthorn breeders with one of the most unusual buying opportunities of our time. Neither distance nor price was a bar to Ellis Giddens in securing the very best females of the breed in order to bring them into this herd. All of the cattle in this sale have already been recorded in the American herd book so there will be no need for buyers to pay special American Shorthorn Association assessments on imported cattle.

Red, Robert Moubray

CINDERELLA TESS (chain #6) — This is a daughter of Bapton Upward Bound out of Japonica (Lot 17.) Look this family over.

Scene at Calrossie. W. E. Giddens was able to buy Calrossie heifers scheduled for replacement at Calrossie because he was willing to pay the price and because of the impending embargo.

All of the imported females have been transferred into the American herd book, they have American registration certificates and all imported ASA fees have been paid.

When again . . . if ever . . . will you be able to buy the foundation females from a herd built like this one. Fifteen Calrossie bred females . . . plus the tops of the other great herds of Scotland and several of the strongest families from North America.

When Ellis Giddens put this herd together, neither distance nor cost was a bar to his obtaining exactly the females he wanted. Now you can buy them.

We have not wanted to ruin these good breeding cows. Thus they have been carried through the winter on normal cow care without grain. We have had good grass and will continue to handle them this way until the sale. The cattle are in good, thrifty breeding condition.

Grand Champion bull at the Southeastern Regional Spring Sale in 1963 was this bull on the left, Bozo, consigned by W. E. Giddens and sold at \$1,200 to Clinton Hufford, Augusta, Kansas. He is by Bapton Upward Bound and out of Crichton Bethia Broadhooks, Lot 19.

LOT 19

FEMALE

CRICHTON BETHIA BROADHOOKS 3108-715 (76100)

Tattoo RE WRDP34

CRICHTON BETHIA BROADHOOKS (chain #14) — This cow has produced two very outstanding bulls. One was grand champion bull at the Southeastern spring show in 1963 that sold for \$1200 to Clinton Hufford, Augusta, Kansas. Her other bull, Upward Bound 8th, is the heaviest-boned calf we ever produced and went to the University of Georgia. This cow has a very good heifer at foot by Crichton Burco, born Dec. 21, 1963. She was bred March 3 to Calrossie Ideal.

TOLQUHON BOSCO, one of the great modern day sires in Scotland, is the sire of several females that were secured for the Giddens foundation. Now they sell as well as their daughters. He is also the sire of **Crichton Burco**, service sire.

ELIZABETH BROADHOOKS (chain #52) — This heifer is out of Crichton Bethia Broadhooks and by the good breeding bull Bapton Upward Bound, that is now in the Malcolm Tucker herd. She will calve before sale day to Calrossie Ideal.

CRICHTON BENEDICT, grand champion and top bull of a Southeastern Regional Sale, going to Roy Dedmon, Shelby, N. Car., is a maternal sister to Lot 22.

THE STORY OF CALROSSIE AUGUSTA JANGLE, Lot 1

In April 1962 Donald MacGillivray of Calrossie wrote to W. E. Giddens:

"Many thanks for yours of 28th March, and I'm glad you got my letter and photographs. But I think you are making a mistake about the Augusta heifer, and you must have misunderstood me as I have never mentioned in any letter that I was willing to sell this heifer; I presume you mean 'Augusta Jangle,' whom I have already refused 1,200 pounds for as she has always been one of my keeping heifers. There are a certain six or seven each year that I will not sell, no matter what price is offered, for if I did I would be doing a bad turn to Calrossie!"

"I did say I would give you the pick of two or else three of our selling heifers next fall, and nobody would get in before you."

Of this letter Mr. Giddens says:

"To familiarize you with this letter I want to explain that I tried to buy Calrossie Augusta Jangle and two or three other top heifers and one which was Calrossie Rothes Bebe. At the time Donald MacGillivray refused to sell these heifers. When our Association put a ban on imported cattle he reconsidered and let me buy these heifers."

"Now you have the opportunity to buy these great females."

Five females selling (left to right) **FENIE ROSEWOOD**, Lot 8; **TRIXIE AVERNE**, Lot 32; **GOLDEN DAMSEL**, Lot 22; **CALROSSIE BROADHOOKS BRAMBLE**, Lot 10, and **BEAUTY'S PET**, Lot 36.

AVENEL ROSEWOOD 12TH (chain #33) — This cow's dam sold for \$4500 in the Edellyn sale. This cow is the dam of Upward Bound 7th that sold to Carl Miller, Paris, Ill., for \$925. This bull had a lot of admirers at Malcolm Tucker's sale. This good cow has produced some of the heaviest-boned cattle we ever had. She will be the bargain of the sale, regardless what she sells for. She has a very outstanding bull calf at foot, by Calrossie Ideal, born March 15, that could cure anyone's bull problems.

ABERFELDY CLIPPER LEMON 4th sold in the 1963 Louada Farms Sale from Reford Gardhouse, Milton, Ont., to Tempel Farms, Wadsworth, Ill., for \$2,000. She is a daughter of the same cow as Lot 42, and from the same famous Clipper Lemon cow that has produced a number of outstanding females in such leading herds as Kickapoo, Tempel, Aberfeldy, and others.

ABERFELDY CLIPPER KATE (chain #12) — This cow was purchased from Reford W. Gardhouse for \$1,075. She is one of the best cows in the Aberfeldy herd. Her uterine sister sold to Kickapoo Farms for \$2,300. This is one of the best cows in the Reford Gardhouse herd. She has a very outstanding heifer calf at foot, born Nov. 17, by Crichton Burco. Bred Feb. 10 to Calrossie Ideal.

THE DISPERSION OF THIS HERD OF IMPORTED COWS

provides Shorthorn breeders with one of the most unusual buying opportunities of our time. Neither distance nor price was a bar to Ellis Giddens in securing the very best females of the breed in order to bring them into this herd. All of the cattle in this sale have already been recorded in the American herd book so there will be no need for buyers to pay special American Shorthorn Association assessments on imported cattle.

A GREAT SHORTHORN FOUNDATION

When Ellis Giddens set out to found his present Shorthorn herd, neither distance nor money was a bar to purchasing exactly what he wanted — the very best. As you will see from the catalog, he paid close attention to families selecting females from cows already proved to be producers of great stock bulls. He leaned heavily on Calrossie because of its dominant record over the years but also purchased other superb females throughout Scotland, Canada and the United States. Now you can make your selections from one of the greatest Shorthorn foundations ever assembled anywhere.

MISS IRENE RAMSDEN (chain #55) — This is another one of the top families that I have owned. She is a member of the famous Kinellar Miss Ramsden family that sold in Dr. Travelstead's dispersal and that produced the International grand champion female Hillcroft Miss Ramsden 3rd. Les Mathers has a member of this family in his herd, which has been one of his tops in his show string. Kickapoo also has a member of this family in their show herd. Four Dees Farms has one of the original cows. Boll Weevil Plantation has Hillcroft Miss Ramsden and several daughters that we sold them. Acadia also has a bull from this family that they were using. This heifer sells open and will be a diamond in the rough.

HILLCROFT MISS RAMSDEN 3rd, 1956 International grand champion female, is from the same Kinellar Miss Ramsden family as Lot 54.

LOT 55

FEMALE

AUGUSTA HOPE 3116-569

Tattoo LE 253 RE 253

Roan, calved Sept. 9, 1961. Bred and owned by W. E. Giddens, Madison, Georgia.

AUGUSTA ANN 2ND (chain #7) — This is a daughter of the famous Baldowrie Augusta Anne 3rd that we once owned. This is the family that produced the famous Baldowrie Aladdin, reserve supreme and junior champion and one of the top price group of three bulls by the same sire at Perth, 1955, sold to Sn. Santamarina of Argentina. This heifer will be a great producer.

JEALOUS MARIE (chain #44) — This good young cow is out of a daughter of Beaufort Bulldozer and by Bapton Upward Bound, Perth first prize winner. This is one of the famous Millhills families in Scotland.

STANDARD GUARANTEE

RECOMMENDED BY AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

6. Shipment will be made as soon as possible after the close of the sale, but at purchasers risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

PLEASE NOTE — Item 3 states that females sold as bred, not proving to be in calf must be reported to the seller within three months from date of sale . . . females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

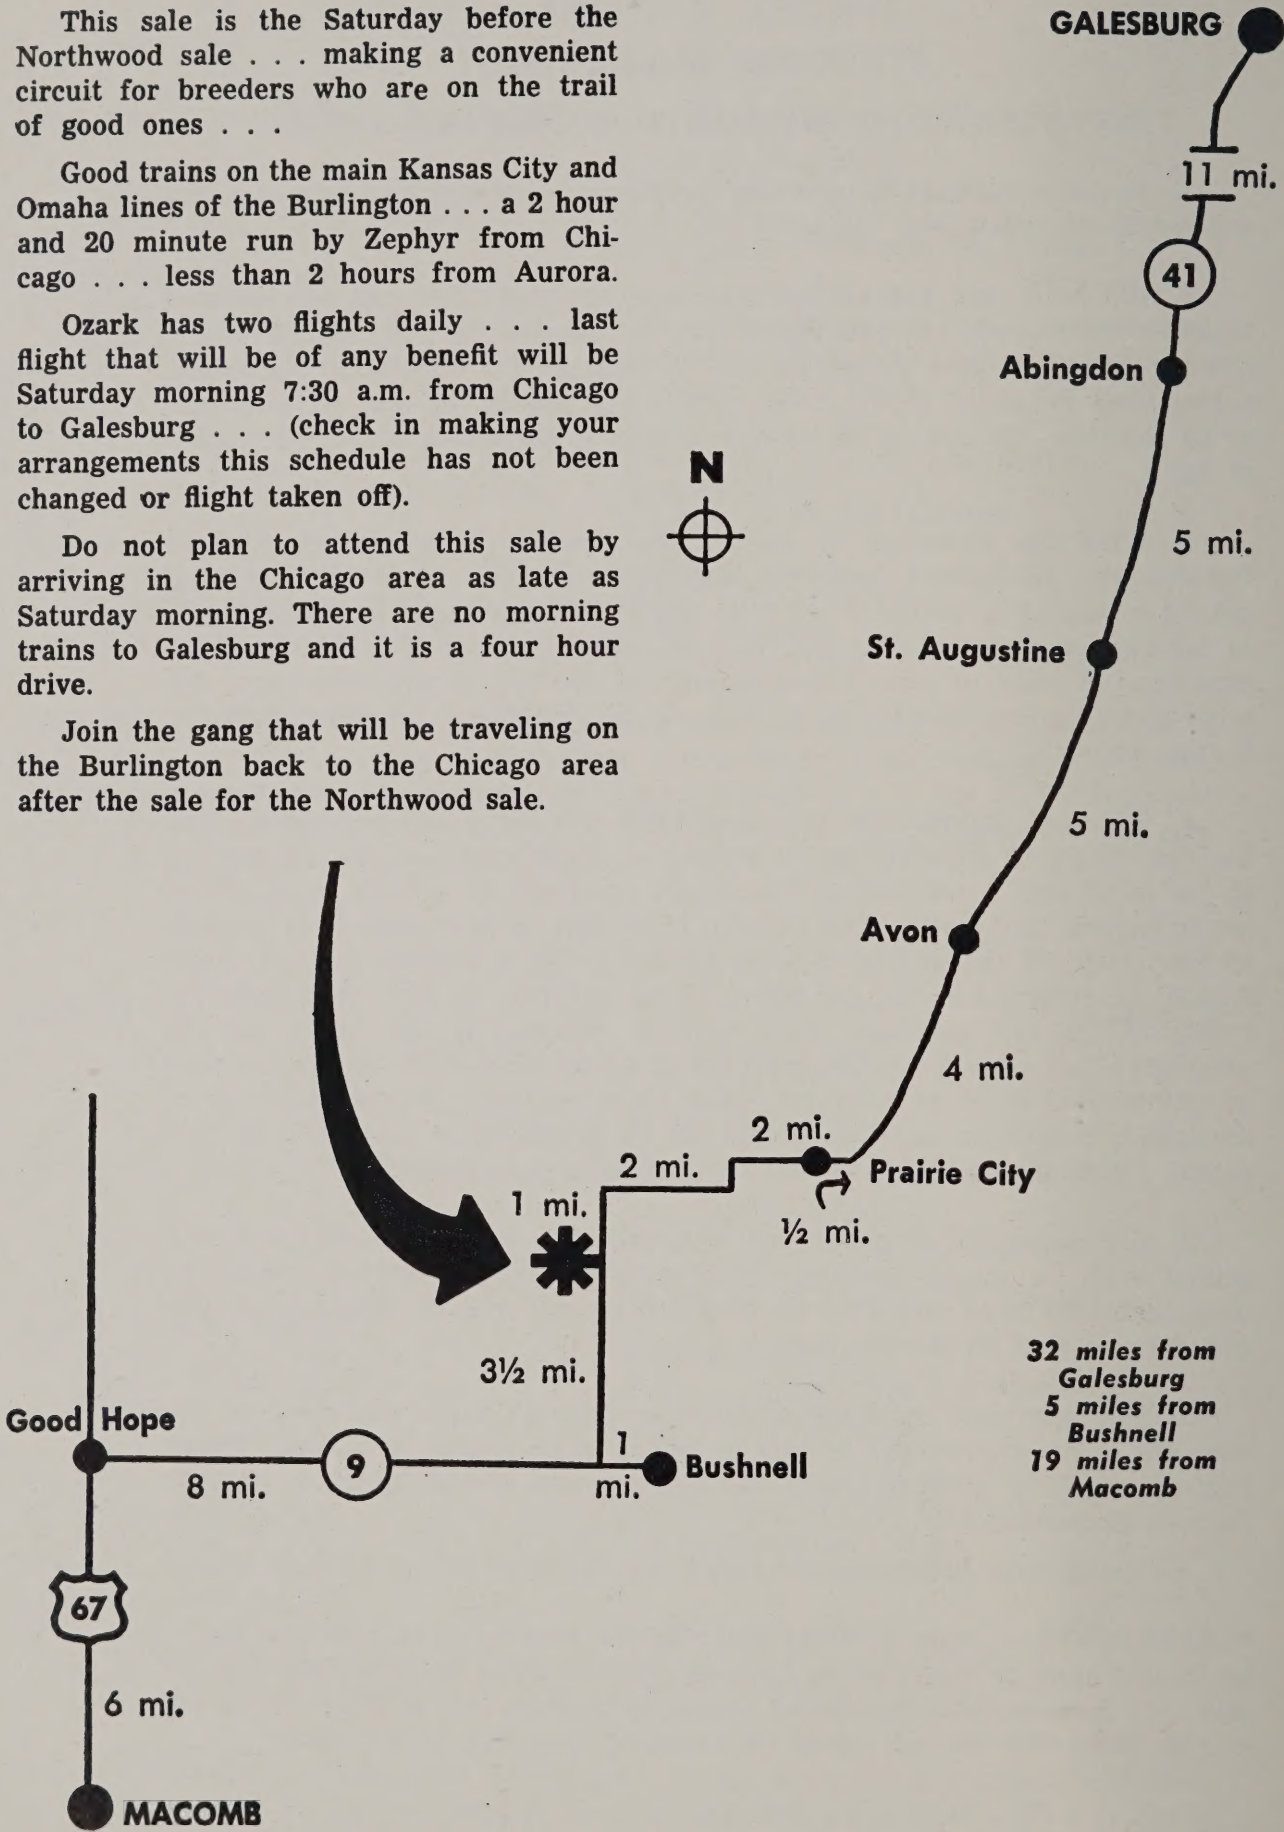

This sale is the Saturday before the Northwood sale . . . making a convenient circuit for breeders who are on the trail of good ones . . .

Good trains on the main Kansas City and Omaha lines of the Burlington . . . a 2 hour and 20 minute run by Zephyr from Chicago . . . less than 2 hours from Aurora.

Ozark has two flights daily . . . last flight that will be of any benefit will be Saturday morning 7:30 a.m. from Chicago to Galesburg . . . (check in making your arrangements this schedule has not been changed or flight taken off).

Do not plan to attend this sale by arriving in the Chicago area as late as Saturday morning. There are no morning trains to Galesburg and it is a four hour drive.

Join the gang that will be traveling on the Burlington back to the Chicago area after the sale for the Northwood sale.

All Sell . . . these three young cows and their calves are shown in quarantine last winter in Canada before shipment to W. E. Giddens. L to R: Calrossie Roth's Bebe, uterine sister to Calrossie Keynote, dam, the famous Calrossie Roth's Flower, her heifer calf is by Calrossie Scotch Mist; Calrossie Princess Catriona and heifer calf by Kair Lucky Star; and Calrossie Queen Sylvia.

Attend This Important Sale Series

Saturday, May 30 . . Dispersion of the W E. Giddens herd at the Jerry Taylor Farm, Prairie City, Illinois.

Monday, June 1 . . . The Northwood Sale, Cary, Illinois.

Tuesday, June 2 . . . Westward Way Polled Shorthorn Sale.

On Sunday join your friends who will be gathering at Northwood.

ALL CATTLE SELL UNDER THE STANDARD GUARANTEE ENDORSED BY THE AMERICAN SHORTHORN ASSOCIATION

All females are calfhood vaccinated except the calves which have not yet reached the proper age. Despite the fact it is not always the custom to guarantee in a Dispersion, we know this herd, know it is prolific and have no hesitancy about guaranteeing. Dr. Fosgate, Univ. of Georgia, one of the foremost experts in the field, will have examined many of the females for pregnancy.
